

Accessibility Statement for Rig Sisters 4x4

Rig Sisters 4x4 is committed to ensuring digital and physical accessibility for all members of our community, including individuals with disabilities. We strive to foster an inclusive environment on our website, social media platforms, at our events, and in all forms of communication.

Our Commitment

We aim to provide a welcoming and accessible experience for everyone, regardless of ability. This includes:

- Ensuring our website is navigable by screen readers and keyboard-only users.
- Providing alternative text for images and videos.
- Using clear, high-contrast text and layouts for readability.
- Offering accommodations at in-person events whenever possible, including accessible parking, restrooms, and clear communication of terrain difficulty.

Ongoing Efforts

We are continuously working to improve the accessibility of our digital presence and in-person experiences by:

- Conducting periodic accessibility reviews.
- Incorporating feedback from users with disabilities.
- Aligning with recognized accessibility standards, including WCAG (Web Content Accessibility Guidelines) 2.1.

Need Assistance?

If you experience any difficulty accessing any part of our website, social media content, or events, please let us know. We are happy to provide the information or support you need in a way that works best for you.
